

SPEECH OF THE PROCUREMENT MANAGER AT THE DEPARTMENT'S SOCIAL FORUM HELD ON 29TH JULY, 2017 IN THE COUNCIL CHAMBER

Mr. Vice-Chancellor Sir, KISM representative, Deputy Vice-Chancellors, Principals of Colleges, Heads of Departments in Central Administration, my colleagues in Procurement, ladies and gentlemen.

It gives me great pleasure at this august occasion to welcome all to this forum. This is an occasion to listen and interact with our internal customers and our professional body, Kenya Institute of Management who will give us some professional counsel.

The Vice-Chancellor and his top management team will set for us the agenda for the coming financial year. The internal stakeholders will reflect to us our service delivery level and indicate how we can best serve them. Above all, we want to socialise and take it easy from our busy schedules and strenuous work.

Finally have a good time and remove the masks so that we can interact and chart freely.

THANK YOU
